

# 11<sup>TH</sup> International Symposium on Innovation and Technology ISIT2020 (Virtual Conference)

Nov 29-Dec 01, 2020

**"Digital transformation and its impact on global sustainable development against the coronavirus"**

## Technical Areas, but not limited:

Artificial Intelligence and Internet of Things  
Bioengineering, Biomedical Circuits  
Circuit Design and Signal Processing  
Circuits and Computational Arithmetic  
Communication and Wireless Systems  
Computational Architecture and Operating Systems  
Computer Vision and Computer Networks  
Complex Systems and Multi-agent systems  
Control Systems, Mechatronics and Robotics  
Database and Data Mining  
Digital Signal Processing  
E-Learning and Education  
Electric systems  
Electromechanical systems  
Embedded Systems  
Innovative Technologies  
Multimedia Systems and Image Processing  
Power Electronics and Energy  
Programmable Logic, VLSI  
RF, microwave and optical systems  
Security Systems and Distributed Systems  
Systems Architecture  
Virtual Reality

## Important Dates

Deadline Submission	Sep. 07, 2020
Last Notification Date	Oct. 05, 2020
Registration Deadline	Nov. 02, 2020
Camera Ready Paper	Nov. 02, 2020
Technical Program	Nov. 09, 2020
Conference Dates	Nov29-Dec01, 2020

## Organizing Committee

### General Chair

Iván Garibay	UCF	U.S.A.
Mario Chauca Saavedra	IIITEC	Perú

### Technical Program

K. Mannivannan	MSAJCE	India
Tania Bueno	i3G	Brazil

### Special Sessions

Miguel Gómez Martínez	UGTO	México
Fernando Saavedra	NYPA	U.S.A

### Contest

Srikantappa.A.S.	CIT	India
Roberto Giordano	UFSTA	Argentina

### Publication

Luis Sánchez	UPV	España
--------------	-----	--------

### Invited Sessions

Francesco Cannone	Emtesys	Italy
-------------------	---------	-------

The ISIT2020 will be held from November 29 to December 01, 2020. The ISIT2020, is organized by the International Institute of Innovation and Technology (IIITEC) and Co-organized by the University of Central Florida (UCF), sponsored by the University of FASTA-Argentina, CUN University-Mexico, University of Guanajuato-Mexico, the Institute i3G-Brazil, the IFEES. The conference traditionally presents a series of distinguished speakers from different countries of the world

Potential authors are invited to submission their complete Paper in 5 pages, in the [Template ISIT](#) for your consideration as an virtual presentation. Log in to [EasyChair for ISIT2020](#) will be evaluated by an International Technical Committee informing the results according to the submission. The authors are invited to the Best Award Paper and Bes Award Speaker Contest. Qualified Papers that meet all the requirements will be included in the program and published in the Symposium proceedings in a volume with ISBN and ISSN registration, according standard ISO 2108 e ISO 3297, subject to the registration of at least one of the authors by the deadline.

Industries are invited to submit industrial papers or practical contributions with high industrial impact, to the potential authors of virtual Tutorials and Virtual Special Sessions for exhibition at the conference and inclusion in the Symposium proceedings. The ISIT2020 promises to be a very interesting and remarkable symposium, where you can to share knowledge and experience healthy and beneficial with distancing social.

On behalf of the IIITEC and UCF, the Steering Committee and the Organizing Committee, we offer you the most cordial welcome to us at ISIT2020, November 29 to 01 December, Lima, Peru. Information [www.iiitec.org](http://www.iiitec.org)
